Access Control & Identification Products

Electronic Access Controls

Card Reader Access Control Systems

- Bar Code Readers
- Magnetic Card Readers
- Optical Card Readers
- Proximity Card Readers
- Smart Card Readers
- Wiegand Card Readers
- Other _____

Card Reader Accessories

- Card Encoders/Programmers
- Cleaning Cards
- Door Control Cabinets
- Pedestrian Passageway/Optical Turnstiles
- Replacement Cards
- "Secure" Lighted Signs
- Biometrics
- Fingerprint Systems
- Hand Geometry Systems
- Iris Pattern Recognition
- Palm Systems
- Retinal Scan Systems
- Signature Comparison Systems
- Voice Comparison Systems
- Other _____

- Other Electronic Access Control Systems**

Mechanical Access Control Products

- Mantraps/Booths For Access Control
- Flush-Button Combination Locks
- Request-To-Exit Devices, Mechanical
- Revolving Doors
- Turnstiles
- Other _____

Badging Product

- Badge Clips & Holden
- Badge Stock
- Check Cashing Id Cameras
- Digital Image Storage Systems
- ID Badge Cameras
- Laminators
- Visitor Badges, Temporary
- Other _____

Alarm Equipment

Annunciators

- Bells
- Chimes
- CRT Terminal Displays
- Graphic Map Displays
- Horns
- LED Numerical Displays
- Local Lights (Beacons & Strobe Lights)
- Printers
- Remote, Audio
- Sirens
- Tone Signals
- Vibration Generators
- Other _____

Control Panels

- Carrier Current Panels
- Data Encryption Standard Panels
- Graphic Panels
- Hard Wire Panels
- Multiplex Panels
- Touchpad
- Touch Screen Panels
- Programmable, On-Site
- Programmable, Remote
- Wireless Panels
- Other _____

Control Panel Accessories

- Power Supplies
- Electric Power Controller Interface
- Other _____

Fire Alarm Equipment

- Controls & Monitoring Systems, On-Site
- Detection Devices
- Extinguishing Equipment
- Fire Protection Products
- Indicator Products
- Other _____

Intrusion Sensors, Exterior

- Capacitance Field
- CCTV Motion Detectors
- Electrostatic Fields
- Fiber Optic Continuity Circuit
- Infrared Beams
- Laser Beams
- Microwave Motion Detectors
- Passive Infrared Sensors

- Ported Coaxial Cable
- Pressure Buried Sensors
- Seismic Geophone Buried Sensors
- Taut Wire
- Underwater Fiber Optic Continuity Grid
- Vehicle Detectors (Buried)
- Vibration/Shock Sensors (Fence Mount)
- Other _____

Intrusion Sensors, Interior

Audio Detectors

- Audio Discriminators/Listen-In Microphone
- Transducer Cable
- Other _____

Contacts, Door & Window Switches

- Barrier Bars
- Door Cords
- Fiber Optic Switches
- Magnetic Switches
- Mechanical Switches
- Mercury Switches
- Tamper Switches
- Traps
- Other _____

Continuity Loops

- Electrical Loops
- Fiber Optic Loops
- Laced Panels
- Window Pennant, Mercury Switches
- Window Screens
- Other _____

Glass Break Sensors

- Audio Discriminators
- Dual Detection
- Glass Break, Audio Response
- Photoelectric
- Shock
- Other _____

Space/Motion Detectors

- CCTV Motion Detectors
- Dual Detectors
- Infrasonic
- Microwave
- Passive Infrared (PIR)
- Photoelectric
- Stain/Flex Detectors
- Ultrasonic (Doppler Shift)
- Switch Mats/Ribbon Switches
- Vibration/Shock, Sensors

Company _____

- Other _____

Other Detectors

- Capacitance Proximity Detectors
- Other _____

Materials & Tools, Installation

- Cabinets & Racks
- Raceways & Conduit
- Tools & Meters
- Wire & Cables
- Other _____

Monitoring Equipment, Remote

Receivers

- CATV/Alarm Receivers
- Phone Line Receivers, Dedicated Channel
- Telephone Line Receivers, Tape Dialer
- Telephone Line Receivers, Wireless Receivers
- Telephone Line Receivers, Digital Dialer
- Telephone Line Receivers, Multiplex
- Other _____

Transmitters

- Derived Channel
- Phone Line/Direct Wire
- Wireless/Radio Telemetry/Long-Range
- Other _____

Other Monitoring Equipment, Remote

- Automation Software
- Other _____

Power & Environmental Sensors

- AC & UPS Power Failure Sensors
- Gas Toxic Vapor Sensors
- Temperature & Humidity Sensors
- Water Presence/Level Sensors
- Wireless Systems
- Other _____

Communications Equipment

Radio Equipment

- Base Station Radios
- Portable Radios
- Other _____

Recorders (Security Products Only)

- Dialed Telephone Number
- Tape, Extended Time

- Telephone Call, Instant Repeat
- Time, Message & Event Logging
- Other _____

Secure Telecommunications

Products

- Secure Cellular Telephones
- Secure Facsimile
- Secure Telephones
- Secure Video
- Other _____

Other Radio Equipment

- Atmosphere Signal Links/Networks
- Emergency Communications Equipment
- Fiber Optic Communications Link
- Intercom Equipment
- Megaphones
- Public Address & Paging Systems
- Other _____

Computer Programs & Protection Hardware

Hardware

- Access Controls
- Degaussers
- Enclosures/Covers
- HEMP/EMP Protection
- Privacy Filters
- Secure Modem Operations
- Secure Storage Media
- Other _____

Software

Computer Protection

- Audit Trails
- Copy Protection
- Encryption
- Historical Record Of Operator Commands
- Password Access
- Virus Protection

Security Operations Programs

- Access Control
- Accounting/Billing/Business Operations

- Film (Shatter-Resistant)
- Fire-Resistant
- Glass
- Polycarbonate
- Wire-Glass
- Other _____

Information Protection

Equipment & Systems

Eavesdropping Countermeasures

- Data Encryption Equipment
- Fiber Optic Cable
- Radio Devices
- Scramblers
- Shielding & Shielded Products
- Sound-Masking/Shielding Equipment
- Telephone Devices
- Tempest Equipment & Systems
- Other _____

Eavesdropping Detection

Equipment

- Radio Detection
- Recorder Detection
- Telephone Detection
- Integrated Security Management Systems
- Other _____

Company _____

Lighting Products & Materials

- Control Devices
- Emergency Lighting & Exit Signs
- Fixtures & Housings
- Portable Generators & Lights
- Spotlights
- Strobe Lights
- Other _____

Locks, Key Controls & Seals

Locks, Mechanical

- Barricade Bars & Locks
- Bicycle Locks
- Cables, Chains & Locks
- Cam Locks (High Security)
- Coin-Operated Locks
- Combination Dial Locks
- Exit Locks
- Heavy Construction Equipment Locks
- High Security Pin Tumbler Lock (Key Blanks Restricted)
- Manhole Cover Locks
- Marine Locks
- Motorcycle Locks
- Multiple Point Deadbolt Locks
- Padlocks
- Push-Button Locks
- Railroad Locks
- Timelocks
- Truck Locks
- Vehicle Locks
- Vending Machine Locks
- Other _____

Other Locks, Key Controls & Seals

- Seals
- Key Control Equipment
- Key Making Equipment
- Locks, Electrical/Electronic
- Other _____

Power Supplies & Materials

- Batteries-Chargeable & Chargers
- Batteries-Nonchargeable
- Electrical Power Surge Protectors & Filters
- Generators
- Uninterruptible Power Systems (UPS)

- Other _____

Surveillance Equipment CCTV

- Cameras
- Lenses
- Camera Housings
- Camera Controls
- Covert/Concealable Equipment
- Installation Accessories
- Other _____

Signal Transmission

- Coaxial Cable
- Fiber Optic Cable & Hardware
- Laser
- Microwave/Radio Wave
- Telephone
- Video Multiplexers
- Signal Modules
- Video Motion Detectors
- Video Monitors
- Video Printers
- Videotapes
- Videotape Recorders (Time-Lapse & Real Time)
- Other _____

Night Vision Equipment

- Infrared
- Starlight
- Other _____

Other Surveillance Equipment

- Mirrors
